# the best of coral

Looking for a small pop of color in an accent piece  
Or a pretty pattern in a fruity floral?  
Complement it with Tangerine Dream or Georgia Peach,  
Make a space come alive ... color it coral!

**Guest Room by Meredith Heron**  
Designer Meredith Heron blends bits of coral into the upholstered headboard, bedding and stools for this cozy guest room, shown as part of the Kingswood Road residence at [www.meredithheron.com](http://www.meredithheron.com).

**2008-10 ravishing red**

Spice up a space with this exotic touch of coral.

**014 soft glow**

This pop of color is inspired by corals found in nature.

**007 piñata**

Make a vibrant coral statement with this selection.

**020 fresno**

A soft hue, this coral is reminiscent of a summer sunset.

**2012-30 tangerine dream**

This fresh and fruity coral serves up a punch of color.

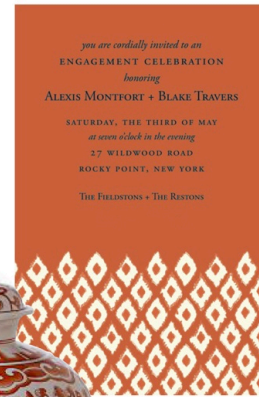

**Coral Bowl by Michael Wainwright**  
Inspired by the sun-baked shorelines of the Mediterranean, this coral gold crackle bowl measures 8.25" x 3.5" and is part of the Amalfi collection, available at [www.michaelwainwright.com](http://www.michaelwainwright.com).
